GROUP FOUR
FURNITURE

INSTALLATIONS

Student lounges are meant to be comfortable, attractive and durable, and Group Four's lounge seating is designed to provide these features. With a wide choice of powder epoxy colors for the steel frames and upholstery patterns and colors for the cushions, our lounge seating can complement or highlight most any setting.

For libraries and media centers, Group Four has complementary seating and tables, and classrooms can be equipped with tables (both floor attached and freestanding) with power and data capabilities and study chairs. And we can combine the functions of both tables and seating by combining a chair with a tablet arm.
